OUR COMPENSATION

The lenders whose loan products we distribute generally provide their loan products to us at a wholesale rate. The retail price we offer you, your interest rate, total points, and fees will include our compensation. In some cases, we will receive all of our compensation from you, to be paid in cash or from the loan proceeds at the time of settlement. In other cases, we will receive all of our compensation from the lender. You may be able to obtain a lower interest rate by paying higher points and fees. (A "point" is 1% of the loan amount.) Alternatively, you may be able to finance the payment of our compensation or other costs that you would otherwise be required to pay directly by paying a higher interest rate. Having discussed the specific effects these alternatives may have on your interest rate, points, fees and other loan terms, and the various payment options that are available to you, you agree our compensation will be paid as follows:

(1) Borrower Compensation: As compensation for our services under this Agreement, you agree to pay us a mortgage brokerage fee in the amount of _____ % of the loan amount or \$ _____. You may pay the mortgage brokerage fee either with funds you bring to the loan closing or from the loan proceeds at the time of settlement. You will be obligated to pay us only if your loan closes.

(2) Lender Compensation: The compensation we will receive from the lender will be N/A. Compensation received from the lender may not be based on the terms or conditions of your loan, such as your interest rate or loan program. Compensation will be calculated according to the terms of our agreement with the lender, which may provide for payment based on a percentage of your loan amount, the quality of the loans we have submitted to the lender in the past, or other factors that are permitted by applicable law. While our compensation may not be based on the terms of your loan, the interest rate on your loan may be higher than would be the case if you paid our compensation directly. At any time prior to closing, please feel free to ask us about other loan options that may be available to you.

OTHER FEES AND CHARGES: OTHER SIGNIFICANT INFORMATION

In addition to our compensation, you may also be obligated to pay other charges in connection with your loan that are not disclosed in this agreement. Estimates of such other charges are shown on the Good Faith Estimate of settlement charges and are generally refundable prior to settlement only if the goods or services to which the costs relate have not been ordered unless applicable law requires otherwise. While we will make a good faith effort to process your loan application as expeditiously as possible, certain types of situations that are unknown to us at the time your application is taken could affect the processing of your loan application and the fees and charges you may be obligated to pay, including, but not limited to, the following:

1. an appraisal value of the property that is different from the value as estimated by you;
2. credit obligations that you fail to report;
3. a change in your financial circumstances that would result in your ineligibility for the loan; and
4. a material change or discontinuation of a loan program by an investor or other entity, such as the U.S. Department of Housing and Urban Development, the Veterans' Administration or a private investor.

If we make a materially false or misleading statement or omission in the inducement or implementation of this Agreement, you may, in addition to any other legal rights or remedies you may possess, upon written notice to us, do any of the following:

- 1. Rescind this Agreement;**
- 2. Recover any fees you have paid to us for brokerage services rendered pursuant to this Agreement; and**
- 3. Recover actual costs, including attorney's fees, for enforcing your rights under this Agreement.**
